**Present:** WW, HBK, LUNCHi, Sleepy, TFC, Rebore, Fruit Cake, No Shirt.

## Wash ups:

- **French Hash:** Rebore reported approx. a dozen attended. Probably to be on Sat before Christmas this year.
- **Christmas 'do':** Cracking. Beer expensive, but ok as it was a top place. We didn't get banned – result! Special thanks to Soprano for not doing carols. Decided that we should continue with a Saturday event in future. Quiz not done as we had to 'move on' – to be taken to the AGPU instead.
- **Joint Run** on 27<sup>th</sup> Dec: thank to HBK's impromptu hospitality.

## Up cumming:

- **Haggis:** TFC has had this thrust upon him. Numbers currently 24. WW had her wrist smacked for leaking where A is – she doesn't give a shit.

TFC will confirm numbers with the pub.

WW to do bag transfer from Yate to pub B.

Pub stop A – 1130ish – LUNCHi to make sure pub knows time as TFC told them 1230.

Whisky stop sorted (WW).

Buses back to Yate station - times available from TFC.
