[NB: There's no official food stop this year. Rather, food can be found *en route*, especially in Clifton Village, pubs 9-13.]

This 2019 route features *The Clifton Spur* as well as many of the delightful pubs in Hotwells itself. We will enjoy the beauty of Bristol's Harbourside (especially from the deck of *The Grain Barge*), the climb up to Clifton Village before beginning the descent down into the Centre of Old Bristol Town. For the technically minded, the slow rate of drinking (just one pint per hour) should ensure that the state of "Beerquilibrium" \* is reached around pub 14.

This year's route has been devised by Sir TFC, HBK and Lunchi.

A Doctor Writes...

\*Beerquilibrium [def]: This is where, for those of an average BMI, blood alcohol rise is exactly counter-balanced by alcohol metabolism in the liver. The state of being 'merry' but not 'too merry' is a joy to behold and to experience.
